

Kwame Adeyemi

Security Officer · Facilities Manager · Youth Football Coach

Neuperlach, Ottobrunner Str. 60, 81737 München · 0157 6640912 · kwame.adeyemi@gmail.com ·
DOB: 19.11.1986

PERSONAL STATEMENT

Dependable security and facilities professional with 15 years keeping buildings, events and people safe. Has led door teams, managed maintenance across multi-site premises, and coached youth football on weekends. Level-headed, observant, and trusted to handle everything from access control to a burst pipe at 2am.

PERSONAL INFORMATION

Date of Birth: 19 November 1986
Address: Ottobrunner Str. 60, 81737 München
Driver's License: Class B, BE & D
Certification: Sachkundeprüfung § 34a GewO

WORK EXPERIENCE

Facilities Manager

2019 – present

Apleona GmbH, München

Manage hard and soft services across three commercial buildings (28,000 m²). Coordinate contractors, planned maintenance and compliance checks. Cut reactive call-outs by 22% through a preventive maintenance schedule.

Security Shift Supervisor

2013 – 2019

Securitas Deutschland, München

Led a 9-person team covering access control, CCTV monitoring and patrols at a corporate campus. Handled incident response and de-escalation, and wrote clear daily occurrence reports for management.

Event Security Officer

2009 – 2013

Allianz Arena / event contractors, München

Worked crowd management, bag searches and entry control at matchdays and concerts for crowds up to 70,000. Frequently deployed to sensitive positions requiring calm judgement.

Youth Football Coach (part-time)

2015 – present

TSV München-Ost e.V.

Coach a U15 squad on evenings and weekends: training sessions, matchday organisation and player development. Hold the DFB C-Lizenz and safeguarding certification.

EDUCATION

Sachkundeprüfung § 34a GewO (Security) — IHK München (2009)
Geprüfte Schutz- und Sicherheitskraft (IHK) — München (2014)

SKILLS

- Data analysis: SQL, Python (pandas), Power BI and Tableau
- Blueprint and technical drawing interpretation
- Forklift and reach-truck operation and instruction (Staplerschein trainer)
- Process improvement: workflow optimisation, cost reduction, KPI tracking and reporting
- Budget ownership: cost control, forecasting and variance reporting
- Clinical documentation: care plans, handovers and SOAP notes
- Security operations: access control, CCTV monitoring, patrols and incident response
