

Nadia Hoffmann

Registered Nurse · Palliative Care Specialist · Clinical Educator

Haidhausen, Wörthstr. 27, 81667 München · 0151 7729384 · n.hoffmann.rn@web.de · DOB: 09.02.1985

PERSONAL STATEMENT

Registered nurse with 17 years of hospital and hospice experience across intensive, palliative and general care. Combines frontline clinical practice with a growing focus on teaching — designing onboarding programmes and mentoring newly qualified staff. Committed to dignified, patient-centred care and to raising standards through education rather than escalation.

PERSONAL INFORMATION

Date of Birth: 9 February 1985
Address: Wörthstr. 27, 81667 München
Driver's License: Class B, BE, C1 & C1E
Registration: Gesundheits- und Krankenpflegerin — Regierung von Oberbayern

WORK EXPERIENCE

Clinical Nurse Educator

2021 – present

Klinikum rechts der Isar, München

Designed and delivered the onboarding curriculum for 120+ nursing staff per year. Led the rollout of an updated sepsis-recognition protocol across three wards. Mentors newly qualified nurses through their first year in practice.

Palliative Care Nurse Specialist

2017 – 2021

Johannes-Hospiz München

Managed symptom control and end-of-life care planning on a 16-bed unit. Coordinated care goals with physicians, social workers and families. Ran monthly bereavement support sessions for relatives.

Senior Ward Nurse — Intensive Care

2012 – 2017

Universitätsklinikum Heidelberg

Delivered care on a 14-bed surgical ICU: ventilator management, haemodynamic monitoring and post-operative recovery. Acted as shift lead for teams of up to eight nurses.

Staff Nurse

2008 – 2012

Charité Universitätsmedizin, Berlin

General medical and surgical ward nursing. Wound care, medication administration, and patient and family education.

EDUCATION

Ausbildung Gesundheits- und Krankenpflege — Charité Gesundheitsakademie, Berlin (2008)

B.Sc. Nursing Science — Hochschule München (2016)

Fachweiterbildung Palliative Care (DGP-anerkannt) — München (2018)

SKILLS

- Cybersecurity awareness: access control, phishing prevention and data handling
