

Henrik Andersen

Pilot · Flight Instructor · Drone Operator

Riem, Willy-Brandt-Allee 8, 81829 München · 0176 4419088 · henrik.andersen@gmail.com · DOB: 06.07.1986

PERSONAL STATEMENT

Commercial pilot with 15 years in the air, from regional airlines to flight instruction and commercial drone work. Has logged thousands of safe hours, trained new pilots, and run aerial-survey operations. Disciplined, calm under pressure, and meticulous about procedure and safety.

PERSONAL INFORMATION

Date of Birth: 6 July 1986

Address: Willy-Brandt-Allee 8, 81829 München

Driver's License: Class B & BE

Availability: Full-time — flexible rosters

WORK EXPERIENCE

First Officer 2016 – present

Lufthansa CityLine, München

Operate short- and medium-haul flights on Embraer aircraft. Manage flight planning, crew coordination and passenger safety. Maintain a spotless safety record.

Flight Instructor 2012 – 2016

Flugschule München-Ost

Trained student pilots toward PPL and CPL licences. Delivered ground school and check rides; strong first-time pass rate.

Regional Pilot 2009 – 2012

Private charter operator, Bavaria

Flew charter and survey missions across the region. Handled varied aircraft and demanding schedules.

Commercial Drone Operator (part-time) 2018 – present

Freelance, München

Run aerial photography and survey jobs for construction and media clients. Hold an EU drone operator certificate.

EDUCATION

Airline Transport Pilot Licence (ATPL) — Lufthansa Aviation Training (2009)

B.Sc. Aviation Management — Hochschule Bremen (2008)

EASA Flight Instructor Rating (FI) (2012)

SKILLS

- Project management: planning, milestone tracking, stakeholder updates and delivery
- Time management and prioritisation under deadline pressure
- Quality assurance: inspections, audits and compliance checks
- Adaptability: thriving in fast-changing and multi-tasking environments
- Negotiation: supplier terms, contracts and conflict resolution
- Web development: HTML, CSS, JavaScript and responsive design
- Customer service: complaint handling, expectation setting and follow-up
