

Lena Fischer

Primary Teacher · Tutor · Museum Guide

Sendling, Lindwurmstr. 205, 80337 München · 0160 7743012 · lena.fischer@gmail.com · DOB: 21.07.1988

PERSONAL STATEMENT

Warm and organised educator with 12 years teaching primary-age children, plus private tutoring and museum-guiding experience. Has built engaging lessons, raised attainment for struggling pupils, and brought history to life for visitors of all ages. Patient, creative, and genuinely energised by helping people learn.

PERSONAL INFORMATION

Date of Birth: 21 July 1988

Address: Lindwurmstr. 205, 80337 München

Driver's License: Class A1 & B

WORK EXPERIENCE

Primary School Teacher

2016 – present

Grundschule an der Implersstraße, München

Class teacher for mixed Year 3–4 groups of 26 pupils. Plan cross-curricular lessons, track progress, and lead the school reading programme. Mentor two trainee teachers.

Private Tutor

2012 – present

Self-employed, München

Tutor German, maths and English for primary and lower-secondary pupils. Build tailored plans and report progress to parents; strong record of grade improvement.

Teacher (Referendariat)

2014 – 2016

Grundschule Feldmoching, München

Completed teacher training placement across all core subjects. Developed classroom-management and differentiation skills under supervision.

Museum Guide (part-time)

2010 – 2014

Deutsches Museum, München

Led school and public tours, delivering interactive science and history sessions for groups up to 30. Handled scheduling and visitor questions.

EDUCATION

1. & 2. Staatsexamen Lehramt Grundschule — LMU München (2016)

B.A. Educational Science — LMU München (2011)

SKILLS

- Rehabilitation and mobility support: exercises, aids and progress tracking
- Procurement and invoicing: purchase orders, reconciliation and vendor records
- Cybersecurity awareness: access control, phishing prevention and data handling
- Customer service: complaint handling, expectation setting and follow-up
- Forklift and reach-truck operation and instruction (Staplerschein trainer)
- Facilities management: contractor coordination, planned and reactive maintenance
- Supply chain coordination: procurement, supplier management and delivery scheduling
