

Omar Haddad

Civil Engineer · Site Manager · CAD Technician

Moosach, Dachauer Str. 410, 80992 München · 0176 2218904 · omar.haddad@gmail.com · DOB: 09.03.1987

PERSONAL STATEMENT

Civil engineer with 13 years across design, planning and on-site delivery of infrastructure and building projects. Has managed multi-million-euro sites, produced detailed CAD and structural drawings, and kept crews safe and on schedule. Practical, methodical, and comfortable moving between the office and the muddy end of a project.

PERSONAL INFORMATION

Date of Birth: 9 March 1987

Address: Dachauer Str. 410, 80992 München

Driver's License: Class B

Availability: Full-time — site-based or hybrid

WORK EXPERIENCE

Site Manager

2019 – present

Max Bögl Bauunternehmung, München

Manage residential and infrastructure sites worth up to €18m. Coordinate subcontractors, schedules and health & safety compliance. Delivered the last three projects on or ahead of programme.

Civil Engineer (Design)

2014 – 2019

Ingenieurbüro Schmidt + Partner, Augsburg

Produced structural calculations, drainage designs and tender documents for public-sector projects. Liaised with authorities on planning approvals.

CAD Technician

2011 – 2014

HOCHTIEF AG, München

Created detailed construction and reinforcement drawings in AutoCAD and Revit. Maintained the project drawing register and supported the design team.

Site Engineer (Graduate)

2010 – 2011

STRABAG SE, München

Setting-out, quality checks and progress reporting on a road-infrastructure project. Assisted the site manager with materials and subcontractor coordination.

EDUCATION

M.Sc. Civil Engineering — Technische Universität München (2010)

B.Sc. Civil Engineering — American University of Beirut (2008)

Chartered Engineer (Ingenieurkammer Bayern) (2015)

SKILLS

- Adaptability: thriving in fast-changing and multi-tasking environments
- Process improvement: workflow optimisation, cost reduction, KPI tracking and reporting
- Electrical installation: wiring, testing and fault diagnosis
- Cybersecurity awareness: access control, phishing prevention and data handling
- Content creation: copywriting, social media and photography
- Automation: scripting, workflow tools and no-code integrations
- Bookkeeping and accounting: DATEV, Lexoffice, VAT/USt filings and payroll preparation
